

Driving Licence Book

Grupp	Utländskt material
Artikel	1920
Beskrivning	This book is an English translation of the Swedish Driving Licence Book which is the textbook for driving pupils in Sweden.

The Driving Licence Book is manufactured for Driving Licence Category B (car or motor vehicles with a maximum authorised mass not exceeding 3500 kg).

The book is consistently organized with pictorial page with short explanations to the left and text page with more detailed explanations to the right. In the margin there are keywords expressing main points to make it easier for you to find the paragraph you are looking for.

The booklet Swedish Road Signs is included when purchase.

The Swedish edition is used by many driving schools in Sweden.

There are two additional handbooks in English, Driving Handbook and Theory Handbook.
